RISING STAR™

SHIELD LINE
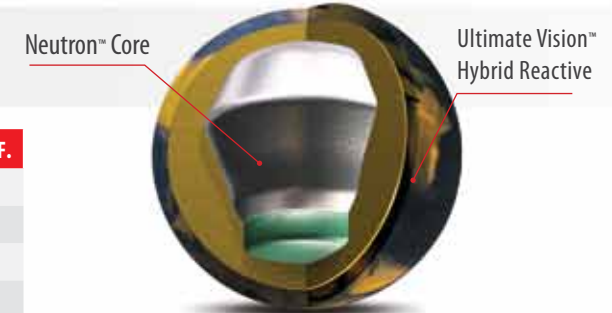

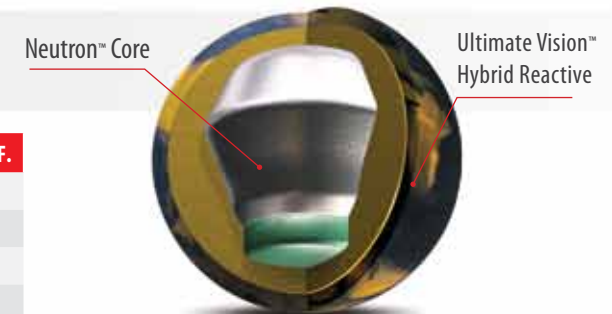

- The Ultimate Vision™ hybrid coverstock offers smooth glide through the heads with ample bite on the drier boards without being over-sensitive

- The new Neutron™ core boasts a lower RG and higher differential when compared to the Photon™ core - this transforms into an earlier read and stronger backend reaction

- The Rising Star™ was created to work well on medium-light oil patterns for bowlers of all skill levels and styles

LBS.	RG	RG DIFF.
16 lb.	2.56	.046
15 lb.	2.55	.042
14 lb.	2.60	.044
13 lb.	2.67	.017
12 lb.	2.67	.017
11 lb.	2.73	.012
10 lb.	2.77	.015
