### CORE: CHAOTIC™ CORE

My Chaotic™ Core gives me consistent axis migration, defined RG bands and the freedom to unleash as much or as little anarchy as I please.

### COVER: MICRO DNA™ SOLID REACTIVE

My Micro DNA™ Solid Reactive Coverstock is ready for anything they can throw at me. The lanes think they're tough — they'll find out I'm tougher.

Factory Finish: 2000-grit Pad

### CONDITION: HEAVY

I come out of the box with a superior 2000-grit pad finish, ready to shoot down the lane and blast through the pins with a reckless abandon.
