

Mr. Malott,

Hi, my name is Jordan Strickland. I am 17, and a senior in high school. I think it would be an awesome experience to get to meet a bowler of your stature. It would be an honor for you to come to my Saturday morning league. We have never had an actual PBA bowler at the Little Erwin. Not many of us are interested in bowling, but I am sure meeting you would change all of that. The last time I watched you on television was at the Genco PBA Shootout, and you were incredible. I even tried to copy your approach and release. Needless to say, I'll never get that to you. Bottom line is that it would be amazing to hang out with you for a little while. I would be the league MVP if I brought Wes Malott to the Little Erwin of Erwin. It would be an amazing lifetime opportunity. Who knows, maybe you can show me a thing or two. I hopefully look forward to seeing you soon.

P.S.: Sorry about misspelling your name on the drawing.
